Greatest Achievement So Far: Realizing that all my dedication and hard work allowed me to receive a scholarship to the University of Dayton.

Plans After High School: I plan on playing golf for the University of Dayton while majoring in business.

How has participating in high school athletics benefited you? It has allowed me the opportunity to make amazing friends — my teammates. Believe it or not, golf is a great team sport. I've also gained a lot of confidence and have learned the importance of leadership.

What made you decide to play the sport for which you were named the Penn Station Athlete of the Month? I've played golf for as long as I can remember. I continue to play because the game is impossible to master, which keeps me practicing and practicing.

Quote from Coach: "TJ is a great competitor and is always a "team-first" player. He is as excited about his teammates' successes as he is about his own. He is well-grounded in his humility and faith. TJ is a great example to those around him." Alex Schuster

Quote from Principal: "TJ is a gentleman playing a gentleman's sport. He strives for excellence in all he does and models the way for others with his unparalleled work ethic. Congratulations, TJ, on this well-deserved honor!" – Lourdes Lambert
